

# Eskdalemuir Community Help Support Group Newsletter

For those of you not on Facebook here is some information that was recently posted on the Eskdalemuir Community Support FB group

## **From Monday 30th March Dalston Chemist Lockerbie will be delivering prescriptions to Eskdalemuir.**

If you have a prescription currently waiting to be collected from Langholm, please ring them and ask for it to be sent to Lockerbie for Monday's van delivery. You will also have to ask the surgery to send your prescription to Lockerbie for it to be made up there and put in the van from now on.

Deliveries will be every Monday; they are very busy so it may take longer from ordering to receiving them. Do not get caught short of medication! You will need to be in to receive your prescription; they cannot post through the door or leave it unattended. They will knock on the door and you can either wave at them through the window if self isolating and they will leave the meds at your door or you can open the door and they will step a good distance back whilst you collect them from the doorstep.

## **Fruit And Veg Deliveries To Eskdalemuir**

Those good people at **Paterson's Fruit & Veg** are already delivering to Borland and have agreed to give it a trial delivering fruit or veg boxes to Eskdalemuir.

Deliveries would be on a Tuesday and they want one community member to collate all the orders, to be delivered to one drop off point. The Hub would usually be the obvious point but as they are shut at present we are suggesting they drop off deliveries to Ian and Sarah's at Watcarrick Cottage. Ian and Sarah will collate orders and pass on information on how to pay them direct.

PLEASE PLACE YOUR ORDERS BY PHONING, TEXTING OR EMAILING IAN OR SARAH BY SUNDAY 5PM. YOU WILL NEED TO MAKE YOUR PAYMENT DIRECT TO PATERSON'S BY 9PM SUNDAY - NO PAYMENT NO BOX!
